## *Nursery Practitioner* Job Description and Person Specification

### *Job Description:*

- Identify and meet the individual needs of the children in your care
- Provide a positive practice role model
- Ensure that equality of access and opportunity is afforded to all staff, parents and children
- Supervise and support children at all times
- Contribute to maintaining an attractive and welcoming environment
- Prepare and supervise activities
- Read, understand and implement all policies, procedures and operational practices
- Ensure that practice and provision in the nursery meets the requirements of the Early Years Foundation Stage
- Ensure that any changes to policies, procedures and operational practices are adhered to within the required timescale
- Notify the line manager of any concerns or issues regarding policies, procedures and operational practices
- Maintain a positive attitude at all times with children, parents visitors and work colleagues
- Ensure confidentiality, where appropriate, is maintained
- Attend regular staff meetings, planning meetings and undertake training as required
- Work as part of a team to ensure that Mylnhurst's values are maintained

Please note that this job description is not exhaustive and you are required to carry out other duties in line with your role. This job description may be reviewed in the future.

### *Person Specification:*

#### Qualifications

NVQ level 3 or equivalent (essential)

#### Experience

- Excellent understanding of the EYFS curriculum and requirements
