## 9. PARKING

9.1 Cars are strictly prohibited from parking or driving within the School grounds.

9.2 In the interests of road safety and good neighbourliness, Parents are reminded that when collecting and delivering Pupils to and from School they need to exercise care and consideration for others when parking. Yellow and zig zag lines outside the School entrances must be kept clear at all times.

## 10. FEES

10.1 The fees determined by the School from time to time are payable by Parents on or before the first day of the Term for which they are due. Subject to clause 10.5 the School reserves the right to refuse entry to any Pupil until the proper fees have been paid in full. The Parents are not deemed to have paid a sum to the School until the School is in receipt of the cleared funds in its bank account.

**10.2** The costs of school lunches are included in the fees charged, and such lunches are compulsory.

**10.3** As long as payment is made by the due date for payment, the School operates a reduction in fees scheme for the second or any subsequent siblings of a Pupil attending the School at the same time in accordance with the fee schedule published from time to time.

**10.4** Although not obliged to do so, in its discretion the School may allow the fees for a whole Academic Year to be paid by twelve monthly instalments by Direct Debit. The School will charge an administration fee of £30 for this facility which will be included in the first payment to be made. The facility for payment by direct debit may not be available to Parents who have previously defaulted on the payment of fees due.

**10.5 Instalment Arrangements:** An agreement by the School to accept the payment of Fees by instalments is

concessionary and may be terminated by the School in the event of default for thirty days or more. On termination, the full amount of Fees then due shall be payable forthwith as a debt.

**10.6 Payment Arrangements :** Once Parents have determined their method of payment, the arrangements will continue for the entire academic year, and any agreed changes to payment will commence at the beginning of the new academic year.

**10.7 Part Payment:** Any sum tendered that is less than the sum due and owing may be accepted by the School on account only.

**10.8 Joint and Several Liability:** Each person who has signed the Acceptance Form is jointly and severally liable for the whole of the Fees. The persons who have signed the Acceptance Form remain liable to the School for the Fees, unless the School has expressly agreed in writing with the persons who signed the Acceptance Form to look exclusively to any other person for payment of the Fees.

**10.9 Warranty:** The Parents believe that they are able to pay the Fees and confirm that they are not in arrears in paying fees to any other school or educational establishment. The Parents must notify the School if they become aware of circumstances which may prevent them from promptly paying the Fees. The School reserves the right to carry out credit reference checks in respect of the Parents (including by making enquiries of other schools) and the Parents agree to sign any documentation and give any consents required for this purpose. The School further reserves the right to inform other schools of unpaid Fees should the Pupil(s) be transferred and enquiries be made of the School.

**10.10 Money Laundering:** The School may be required in some circumstances to obtain satisfactory evidence (such as sight of a passport) of the identity of a person who is paying Fees. For the avoidance of doubt, the School cannot accept payment of Fees in cash.

**10.11 Appropriation:** The Parents agree that a payment made in respect of one child may be appropriated by the School to the unpaid account of any other child of the Parents.

**10.12 Payment of Fees by a Third Party:** An agreement with a third party (such as a grandparent or other relative) to pay the Fees or any sum due to the School does not release the Parents from liability if the third party defaults and does not affect the operation of any of these terms and conditions unless an express release has been given in writing, signed by the Finance Director. The School reserves the right to refuse a payment from a third party.

**10.13 Late Payment Charges:** If Fees are paid later than the due date then the School, without affecting any other right it may have, may charge an administration fee of £30 and interest (both before and after any judgement) on the amount unpaid at a rate of 8% per annum above the current base rate of National Westminster Bank plc or such other clearing bank as it shall nominate from time to time until payment is made in full.

**10.14 Fee Increases:** The School reserves the right to increase Fees from time to time by giving to Parents Notice of at least twenty eight days plus one Term of the date upon which the increase is to take effect. The increase will only take effect at the beginning of a Term. If Parents

decide that in the light of any increase in Fees they wish to withdraw a Pupil from the School the Parents will then have at least one month to find an alternative school for the Pupil.

## 11. TERMINATION

**11.1 Term's Notice:** A Term's Notice must be given in writing if the Parents wish to:

- i) cancel a place which they have accepted;
- ii) withdraw the Pupil after entry.

**Notice must be addressed to the Headteacher. The Parents are reminded that a "Term's Notice" means written notice given before the first day of a Term and expiring at the end of that Term.**

**11.2** If the Parents cancel their acceptance of a place less than a Term before the entry date OR the Pupil does not join the School after a place has been accepted but not cancelled, a Term's Fees will be payable less the deposit which will be credited to the Parents' account.

**11.3** Parents who cancel their acceptance of a place on more than a full term's notice before entry will not be required to pay Fees in lieu of notice. In these circumstances, the deposit will be refunded to the appropriate party.

**11.4** If the Pupil is withdrawn on less than a Term's notice, Fees in lieu of notice will be immediately due and payable as a debt at the rate applicable to the Term in question. In these circumstances, the deposit will not be credited to the Parents' account.

**11.5** The charge to Fees in lieu of notice in paragraphs 11.2 and 11.4 above is necessary to promote stability, to enable the School to plan its staffing and other requirements, and to enable the School to maintain its academic and cross curricular standards.

**11.6** In the event that a family wishes to take a break from the School, the request must be approved by the Headteacher and the Board of Directors. A Term's Fees in respect of each Pupil must be paid as a retainer, and half of any such retainer will be credited upon the Pupil(s)' return to School. If the Pupil(s) fail to return to School the retainer will be forfeited.

**11.7** If the Pupil is suspended from the School for fourteen consecutive days by reason of non payment of Fees by the Parents, the Pupil will be deemed to have been withdrawn by the Parents without notice on the expiry of the fourteen day period unless the School agrees otherwise. In these circumstances, a Term's Fees in lieu of notice will be payable by the Parents, and the deposit will not be credited to the Parents' account.

## 12. FORCE MAJEURE

If the provision of teaching services is prevented or delayed by causes beyond the School's control (including, but not limited to, fire, war, civil disorder, industrial dispute, acts of Government, acts of God and outbreaks of disease, epidemics and pandemics) teaching may be suspended by the School on giving notice in writing to the Parents.

## 13. EXCLUSION

Pupils will not be excluded otherwise than by the Headteacher. The Headteacher will exercise this power only for a serious breach or repeated breaches of the school rules in accordance with the Behaviour and Discipline Policy.

## 14. IN CASE OF EMERGENCY

Unless the School receives written authorisation to the contrary, it shall administer emergency medical treatment such as CPR if Parents cannot be contacted in time for prior consultation. All administration of treatments and medicines is in line with the School's First Aid Policy which is available for viewing via the School website or through the school office.

## 15. AMENDMENTS

These Terms and Conditions shall continue to apply during the period a Pupil attends the School. These Terms and Conditions and the Handbook may be amended by the School from time to time as it shall think fit but no amendment shall take effect until notice of such amendment has been given to Parents and such amendment shall only take effect from a date not less than one Term from the date of the notice.

## 16. GENERAL CONTRACTUAL MATTERS

**16.1 Legal Contract:** The offer of a place and its acceptance by the Parents gives rise to a legally binding contract between the School and the Parents.

**16.2 Jurisdiction:** The contract is governed exclusively by English law.
